

The Best in Holiday Entertainment!

"We invited Kevin to perform at our Christmas party and we weren't sure what to expect. There are a lot of corny magicians out there, but Kevin was hilarious and his stuff was remarkable!"

"A perfect blend of magic and comedy...where did you get him?"

"The best in the Midwest! Kevin kept us laughing throughout the show and everyone was amazed!"

"Throughout the program, Heller's talent and charm shined through..."

"As he worked the room, selecting young and old to assist him with tricks, you couldn't help but notice the magical energy created by the people that attended the performance..."
